

端末機種名	FTE7653-DAX【住友電工】
返却物一覧	 The image shows the front view of a black, rectangular FTE7653-DAX device. On the left side, there are three indicator lights labeled 'POWER', 'PON', and 'ALARM'. The main body of the device is covered in a grid of small circular ventilation holes. To the right of the device is its power supply unit, a black rectangular box with a label that includes 'ADEM' and technical specifications. Two power cables are connected to the unit: one with a standard AC plug and another with a DC connector.
MACアドレス貼付位置	 The image shows the back view of the FTE7653-DAX device. A white label is affixed to the top left, containing the following information: '住友電気工業株式会社' (Sumitomo Electric Industries, Ltd.), 'M/N: FTE7653R', 'DC12V 1.5A', 'MADE IN Taiwan', and a 'VCCI Class 1' mark. Below this, there is a barcode, a QR code, and the text '注意 クラス1レーザ製品' (Caution Class 1 Laser Product). The device has four black feet at the corners and a small yellow LED indicator at the bottom center.
