

端末機種名	HG8040H【Huawei】
返却物一覧	 <p>The image shows the front of the white, rectangular Huawei HG8040H GPON terminal. It features a large speaker grille on the top half and a row of status LEDs on the bottom half, labeled POWER, LINE, ALARM, LAN1, LAN2, LAN3, and LAN4. Below the terminal is its black power adapter, which has a standard AC power cord and a DC power cable with a connector for the terminal.</p>
MACアドレス貼付位置	 <p>The image shows the back of the Huawei HG8040H GPON terminal. A white label is affixed to the center, containing the following information:     <ul style="list-style-type: none"> <li>Model: EchoLife HG8040H</li> <li>Type: GPON Terminal</li> <li>Power Rating: 10 + 12.0 V, 2.0 A</li> <li>Three barcode labels with associated numbers: 01171001, 7100, and 01171001.</li> <li>CE and VCCI certification marks.</li> <li>UL LISTED mark with E210619.</li> <li>Manufacturer: HUAWEI TECHNOLOGIES CO., LTD.</li> <li>Origin: MADE IN CHINA.</li> </ul>     The label also includes a small rectangular area for a sticker, likely for the MAC address.   </p>
