

端末機種名	HG8045Q【Huawei】
返却物一覧	 A black Huawei HG8045Q router is shown from a front-three-quarter view. It has a series of status LEDs along its top edge. Next to it is a black power adapter with a coiled cable and a standard two-prong power plug.
MACアドレス貼付位置	 The back of the router is shown, featuring a large ventilation grille at the top. A white label in the center contains technical specifications, a barcode, and various certification logos (Wi-Fi, CE, FCC, etc.). Below the label, there are four network ports (one yellow, three blue) and a power jack. A small black tab on the right side of the back panel is also visible.
